

**Notice:**

Dear Delegates,

As of now, there have been two categories of accommodation facilities that have been availed by you. Some have been put in type “B” and others in type “C” as per your choice and on first come first serve basis **or** as per the request of the scientists concerned. However, one can never satisfy all the requests at the same time, we hope you would understand and bear with us.

We would like to point out that:

Whatever you are paying as: per day accommodation charges, it includes the facilities of transportation charges to and fro to the venue of the conference daily + airport pick up, upon your arrival and droppings during your departure, along with the complementary breakfast daily. All these have been tried out through an Event Manager Mr. R.L. Das.

It has not been possible to get the rooms in one hotel at uniform rate but different hotels and guest houses were tried, the rate has been reduced and adjusted to keep the tariff uniform (as per the categories chosen), and to make your stay comfortable as best as we could.

Your kind cooperation in this regard will be highly appreciated.

Convener/  
Local Organizing Committee

**NOTE: Pls. DO NOT pay to the Hotels / Guest House directly**
