Applicants may kindly note the following

- ✓ The System may have to be brought down at short notice because of system maintenance or other reasons.
- ✓ While care would be exercised with regard to safekeeping of user files in the main systems, the users are strongly advised to keep backup copies of their important files.
- ✓ The users normally would have access to user facilities in the Users' Room of Computer Section only.
- ✓ The users are requested not to keep copies of their program files and application softwares, in the hard disks of PCs in the Users' Room of Computer Section, as these may be removed without prior notice.
- ✓ The duplicate applicant's copy of this form should be preserved for future reference.
