Recruitment of Research Associate-I position under Science & Engineering Research Board (SERB)

Saha Institute of Nuclear Physics invites applications for the following Research Associate-I position in Science & Engineering Research Board (SERB) funded project titled “**Inhomogeneities in Correlated System: Superconductors, Insulators and Many-Body Localization**” under the supervision of **Dr. Arti Garg**, Theoretical Condensed Matter Physics Division, Saha Institute of Nuclear Physics, Kolkata.

Research Associate -I (1 position)

Fellowship: Rs. 47,000/- per month.

House Rent Allowance (HRA) and other allowances will be admissible as per DAEs guidelines issued from time to time.

Essential Qualification: Ph.D in Physics (with good academic records and publications in the area of theoretical condensed matter physics).

Desirable qualification: Experience of working on theoretical condensed matter physics on topics like correlated electron systems and disordered systems will be highly appreciated.

Tenure: The initial tenure of the selected RA will be (01) one year. After completion of the 1st year, the Institute, upon review of the academic performance, may consider extension for another year, subject to availability of funds.

Age limit: Maximum 35 years as on 15.06.2019.

Application procedure: Interested and eligible candidates should apply by email only to arti.garg@saha.ac.in with the subject matter “Application for Research Associate-I under the project titled “**Inhomogeneities in Correlated System: Superconductors, Insulators and Many-Body Localization**” (PI: Dr. Arti Garg)”.

The following details are to be appended in the application:

- a) Complete Bio-data Proforma
- b) Details of qualification i.e. Examination passed, year, division, and percentage of marks from Graduation onwards
- c) Details of Publications
