

# SAHA INSTITUTE OF NUCLEAR PHYSICS

## Yearly Progress Report of Research Fellows

Prepare the report using this doc-file by filling up the points given below, no point can be dropped. If something is not applicable, pl write NA. Inputs from the F(fellow), G(guide), D#(doctoral committee members), H(head) and P(Post-MSc coordinator) are required at various places, as indicated. Drop the completed form to the drop-box kept at CARE Office 3404 by at least a month ahead of your date of renewal. Please remember that preparing and submitting the renewal form every year is primarily your responsibility and without the completed renewal form your fellowship may not be continued. Attach separate pages if necessary.

F. 1. Name :

F. 2. Division :

F. 3(a). Date of appointment as JRF :

F. 3(b). Whether completed pre-Ph.D./Post-M.Sc. Course successfully : Yes / No

F. 3(c). If yes, year of completion :

P. 3(d). If no, reasons in detail :

A JRF must complete the course work successfully by the second year. So P may recommend:

- (a) No upgrade to SRF (a 3rd year of JRF may be recommended subject to satisfactory performances in other areas).
- (b) Termination of Fellowship.

F. 4(a). Name of the Guide :

F. 4(b). Other researchers associated with the research work (full names with Divisions/Institutions) :

F. 5. Whether any change of Division/Guide has taken place (relevant dates and details must be given) :

F. 6(a). Exact references of papers published by JRF in refereed Journals only (upgrade to SRF requires at least one publication) :

F. 6(b). Talks/Posters presented in Conferences/Workshops :

F. 6(c). Seminars given by the JRF (at least one seminar is to be delivered to upgrade to SRF) :

F. 6(d). Workshop/School/Courses (on top of the ones listed in the Post-MSc mark sheet) attended :

G. 7. Area and likely topic of contemplated Ph.D. Thesis :

G. 8. Relation of the above mentioned publications to :

- (a) The Ph.D. Thesis :
- (b) The research activities of the Institute :

F. 9(a) Detailed Work Report (specific mention may be made about working facilities inside and outside the Institute and problems being faced, if any) :

G. 9(b). Comments of the Work Report (specific mention may be made about working facilities inside and outside the Institute and problems being faced, if any) :

G.10. Is the progress of the Thesis work upto the expectations :

(a) Yes.

(b) If no, reasons may be stated in detail :

F. 11. Has Registration for Ph.D. done (Upgrade to SRF will not be recommended if it is not done) :

(a) Yes, (University and Registration No) :

(b) No, when it will be done :

G & DC. 12. If registration for Ph.D. is not done, the G & DC may recommend:

(a) No upgrade to SRF (a 3rd year of JRF may be recommended subject to satisfactory performances in other fronts).

(b) Termination of Fellowship.

G. 13. Tentative plan of work during SRF :

F. 14. Is it felt that any change of Guide/Division/Institute is necessary (if yes, reasons may be given) :

H. 15. Assessment of the progress of Ph.D. work and recommendations of the Doctoral Committee :

G. 15(a). Assessment of progress and recommendations :

D1. 15(b). Assessment of progress and recommendations :

D2. 15(c). Assessment of progress and recommendations :

D3. 15(d). Assessment of progress and recommendations :

H. 15(e). Assessment of progress and recommendations :

I endorse the statements/assessments/recommendations made above.

Signature of the Fellow :

Name of the Guide and signature:

Name of the Doctoral committee member D1 and signature:

Name of the Doctoral committee member D2 and signature:

Name of the Doctoral committee member D3 and signature:

Name of the Head of the Division and signature:
